SPORTING CLAYS

TIME TO LOG ON
TO THE
FAMILY TREE

www.whiteflyer.com

White Flyer has enlarged it's family over the past 150 years to include all types of targets for every shooting discipline. And, in a sense, our target genealogy is the direct result of your valued comments and suggestions over these years. So, now we invite you to please take a moment to explore our new website and see how our vast "family" of targets can improve the quality of your shooting sports.

Three modern plants to serve your needs: East - 800-423-6077 Central - 800-647-2898 West - 800-872-7888
